

Annex 5**PROCEDURES FOR REGISTRATION OF A PROPOSED CDM PROJECT ACTIVITY**

1. In accordance with paragraph 40 (f) of the CDM modalities and procedures (CDM M&P), the request for registration of a proposed CDM project activity shall be in the form of a validation report which includes the project design document, the written approval of the host Party and an explanation of how the DOE has taken due account of public comments received on the CDM-PDD.
2. A designated operational entity shall submit its validation report using the “CDM project activity registration and validation report form” (F-CDM-REG) (attached to these procedures) to request for registration of a proposed project activity.
3. In order to ensure transparency and efficiency of the registration process:
 - (a) A request for registration will only be processed after the secretariat has determined that all information and documentation requested in the registration form has been provided by the DOE;
 - (b) The date of receipt of a request for registration is the date when the deposit of the registration fee indicated in the registration form has been received by the secretariat;
 - (c) A request for registration” (as defined in paragraph 40 (f) of the CDM modalities and procedures) shall be made publicly available through the UNFCCC CDM web site (either by a link to the DOE web site or by being directly posted) for a period of eight (8) weeks. The secretariat shall announce a request for registration of a proposed CDM project activity on the UNFCCC CDM web site and in the CDM news facility. The announcement shall specify where the request for registration can be found, the name of the proposed CDM project activity and the first and last day of the eight-week period. The secretariat shall notify the DOE requesting a registration when and where the request for registration is posted.
 - (d) Unless there is a request for review, a request for registration shall, after eight weeks, be marked in the UNFCCC CDM web site as “registration completed” and the corresponding proposed CDM project activity and related public documents recorded/displayed as registered.

Conclusions, final comments and validation opinion		
<ul style="list-style-type: none"> • Provide conclusions on each requirement under paragraph 37 of the CDM modalities and procedures, describing how these requirements have been met. This shall include assessments and findings (e.g. corrective action requests, clarifications or observations) in relation to each requirement, including a confirmation that all issues raised have been addressed to the satisfaction of the DOE. • Final comments and validation opinion 		
<p>The DOE declares herewith that in undertaking the validation of this proposed CDM project activity it has no financial interest related to the proposed CDM project activity and that undertaking such a validation does not constitute a conflict of interest which is incompatible with the role of a DOE under the CDM.</p>		
By submitting this validation report, the DOE confirms that all validation requirements are met.
