

Annex 38

Registration

**Scope of the review on
“Bii Nee Stipa III” (0517)**

1. The Board agreed to undertake a review of the project activity “Bii Nee Stipa III” (0517).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover an assessment to determine:
 - (a) The additionality of the proposed project activity; and
 - (b) The correctness of the approach used for calculations of the build margin emission factor.
