

Annex 27

Registration

**Scope of the review on
“Ancon – EcoMethane Landfill Gas Project” (1104)**

1. The Board agreed to undertake a review of the project activity “Ancon – EcoMethane Landfill Gas Project” (1104)
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover an assessment to determine if the adjustment factor applied to account for flaring occurring in the baseline is in accordance with the approved methodology ACM0001 version 5 and is conservative.
