

**Annex 29**

**Registration**

**Scope of the review on**

**“Efficient use of industrial biomass residue for thermal energy generation” (0890)**

1. The Board agreed to undertake a review of the project activity “Efficient use of industrial biomass residue for thermal energy generation” (0890).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover an assessment of the applicability of the ACM0006 version 4 to the project activity and whether or not the approved methodology has been correctly applied.
