B. Small-scale afforestation and reforestation project activities under the clean development mechanism
(Agenda item 5 (b))

39. The SBSTA considered document FCCC/SBSTA/2004/INF.12 containing a proposal for a draft decision on simplified modalities and procedures for small-scale afforestation and reforestation project activities under the clean development mechanism and measures to facilitate their implementation.

40. The SBSTA noted that, in accordance with decision 16/CP.9, the Executive Secretary provided Parties with an indication of the administrative and budgetary implications of the draft decision. The SBSTA also noted that no financial provision has been made in the core budget for the biennium 2004–2005 and that the decision can be implemented only if supplementary funds are available.

41. The SBSTA decided to recommend a draft decision on this subject (FCCC/SBSTA/2004/L.20/Add.1) for adoption by the COP at its tenth session.⁹
